SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF ORACLE MASTER SERVICES AGREEMENT
(ALL DISTRICTS - 3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chairman of the Board to execute the attached proposed sole source Master Services Agreement (Agreement) with Oracle USA, Inc. (Oracle) for professional consulting and support services. The proposed Agreement will be effective upon execution by your Board through January 31, 2010. This proposed Agreement also provides for two (2) two-year extensions, upon approval by your Board. The total annual amount authorized for expenditure under the proposed Agreement shall not exceed \$3,000,000.
2. Delegate to the Chief Information Officer the authority to execute Work Orders (and necessary change orders to existing Work Orders) having a maximum sum of \$300,000 or less.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Similar to the Microsoft, Cognos, and IBM Master Services Agreements that your Board approved in the past few years, the proposed Oracle Master Services Agreement (Agreement) represents another strategic agreement for the County. The proposed Agreement will give County departments easy access to valuable Oracle technical resources that can only be obtained from Oracle, to assist with planning and ensuring the sustaining viability of services reliant on Oracle technologies. Oracle products serve an essential role in the effective operation of the County's information systems, and are currently deployed in the following departments and organizations: Chief Administrative Office, Internal Services, District Attorney, Information Systems Advisory Body, Alternate

Public Defender, Sheriff, Probation, Regional Planning, Health Services, Public and Social Services, Children and Family Services, Fire, and Public Works. The proposed Agreement provides a structure that streamlines and standardizes the acquisition process for these services across the County.

BACKGROUND

As one of the world's largest database management and software application companies, Oracle has been a strong technology and business solutions provider to the County of Los Angeles for the past few decades. While County departments have been successful in obtaining Oracle services through separately negotiated contracts, this method proved to be time consuming and resource intensive. Because of the widespread use of Oracle products on computer servers throughout the County, the ability to have access to Oracle's professional consulting and support services is important in obtaining timely problem resolution and in maximizing product capabilities.

By approving the proposed Agreement, your Board is establishing the terms and conditions under which Oracle services will be acquired. The County is not obligated to expend any funds until a Work Order is executed, and each Work Order will be governed by the terms and conditions set forth in the proposed Master Agreement. All project-specific Work Orders will be required to be entered into the County's Information Technology Tracking System (ITTS), with defined deliverables (project milestones), planned completion dates and related costs identified. My office will provide centralized oversight related to the initiation of projects and in the review of performance and billing, with semi-annual reports provided to your Board on the usage of this proposed Agreement.

Implementation of Strategic Plan Goals

The services proposed within the Master Agreement support the County Strategic Plan Goals for Service Excellence (Goal 1, Strategy 2: Implement programs to improve the efficiency, quality and responsiveness of County services to all residents) and Organizational Effectiveness (Goal 3, Strategy 6: Complete the implementation of one or more standard technology components for facilitating electronic information-sharing between County departments to support the County Strategic Plan and departmental missions). As described above, these services allow departments to better plan, design, implement, manage, and support the computer systems using existing and planned Oracle technologies. As the County continues to utilize Oracle products to support improvements in service delivery, the proposed Master Agreement will play an important role in allowing the departments to achieve the County's strategic goals.

FISCAL IMPACT/FINANCING

Funding will be obtained from departmental budgets. Expenditures over the term of the proposed Agreement and the expenditures in any given year will remain within each department's budgeted appropriation for such services. Funds for payment of work

performed in future fiscal years will be subject to appropriation by your Board. Expenditures under this proposed Agreement will vary from year to year based on the needs of County departments, not to exceed three million dollar (\$3,000,000) annually. Services over \$300,000 shall be sent to your Board for approval by the respective department. The Administrative provisions of the Agreement require confirmation that funding is available before the individual Work Order is executed.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The attached Agreement has been approved as to form by County Counsel. The proposed Agreement contains the Board's required contract provisions including those pertaining to compliance with the County's Child Support Program, consideration of GAIN participants for employment, and Jury Service requirements. This proposed Agreement is not subject to the County's Living Wage Program.

Oracle is providing unique services and resources in support of their products. These specialized services and resources are not available from County personnel.

CONTRACTING PROCESS

Oracle is a sole source provider for the services sought. Oracle is uniquely positioned to provide the required technical support and consulting services for their products. Oracle can draw from a wide range of internal resources, including the actual software developers, application specialists, and database management specialists for the products upon which the County depends. Using their experience with other large customers worldwide, Oracle can also provide insight into best practices and recommendations for realizing the most from the County's current investment in Oracle technologies and assistance in planning for new business demands.

The negotiated Master Agreement represents the best positions that could be reached by the parties involved, and is submitted to your Board with this office's belief that it represents a minimal risk position for the County. The nature of this Master Agreement is structured around a series of small Work Orders as needed by County departments. It is estimated that they will typically range from \$30,000 to \$300,000 and therefore do not individually represent a large financial risk to the County for the services performed.

I recommend that your Board approve the terms and conditions that were negotiated, based upon the identified business need for this Agreement. The Master Agreement expressly includes Oracle's acknowledgement that the County is not required to issue any Work Orders under this proposed Agreement.

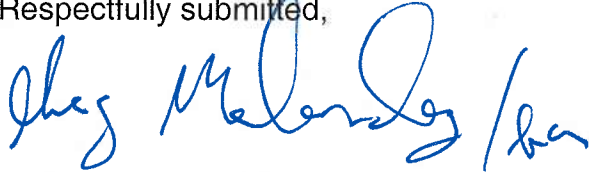

IMPACT ON CURRENT SERVICES/PROJECTS

The proposed Agreement will provide County departments access to Oracle professional services. These are unique technical services from Oracle, for Oracle products, which are used in mission and non-mission critical business systems throughout the County.

CONCLUSION

Your Board's approval of the proposed Oracle Master Services Agreement will ensure County departments have access to needed support and professional services that can only be provided by Oracle.

Respectfully submitted,

Unless otherwise stated in the respective Work Order, in the event that such personnel substitution or removal becomes necessary, Contractor will use reasonable efforts to notify County two (2) weeks in advance of any removal or substitution of Contractor personnel assigned to the performed Services under this Agreement, except where such removal or substitution is requested by County. Contractor agrees that it has not intentionally placed, nor is it aware of, any Disabling Device intentionally placed by Contractor on County’s systems in performance of its Services under this Agreement, nor shall Contractor knowingly permit any subsequent Services under this Agreement to cause placement of any Disabling Device on County’s systems.

County shall not rent, lease, lend or host Deliverables or fixes, except as otherwise provided in a Work Order, reverse engineer, decompile or disassemble fixes or Deliverables, except to the extent expressly permitted by applicable law despite this limitation; or transfer licenses to, or sub-license fixes or Deliverables to any government entity or quasi governmental entity, except as otherwise authorized by this Agreement or an applicable Work Order.

19.4 Open Source License Restrictions

Certain third party license terms may require that computer code be (i) disclosed in source code form to third parties; (ii) licensed to third parties for the purpose of making derivative works; or (iii) redistributable to third parties at no charge (collectively, "unacceptable license terms"). Unless County has given its prior written consent, the license rights that Contractor has granted herein to County to any computer code (or any intellectual property associated therewith) shall not include any license, right, power or authority for County to knowingly incorporate, modify, combine and/or distribute that computer code with any other computer code in a manner which would subject Contractor's computer code to such referenced unacceptable license terms. Furthermore, each party acknowledges that it will not knowingly transfer to the other party computer code that is governed by unacceptable license terms unless the providing party has given the other party prior written notice and the receiving party has consented in writing to receipt of such computer code.

19.5 No Product Provided

No Product shall be provided through or licensed under this Agreement.

20. INTELLECTUAL PROPERTY INDEMNIFICATION

- 20.1 Contractor represents and warrants that, as of the Effective Date, (a) Contractor has the full power and authority to grant the rights granted by this Agreement to County, (b) no consent of any other person or entity is required by Contractor to grant such rights other than consents that have been obtained and are in effect, (c) County is entitled to use the Deliverables provided by Contractor under this Agreement, including any open-source or freeware or any other software provided and utilized by Contractor for provision of such Services (hereinafter "Deliverable(s)"), subject only to County's obligations under this Agreement, (d) this Agreement and the Deliverable(s) are neither subject to any liens, encumbrances, or pledges nor subordinate to any right or claim of any third party, including Contractor's creditors, (e) during the term of this Agreement, Contractor shall not subordinate this Agreement or any of its rights hereunder to any third party without the prior written consent of County, and without providing in such subordination instrument for non-disturbance of County's use of the Deliverable(s) (or any part thereof) in accordance with this Agreement.
- 20.2 If a third party claims that Deliverable(s) Contractor provides to the County infringe that third party's patent or copyright, Contractor will defend County against that claim at its expense, and pay all costs, damages and attorneys fees that a court finally awards or that are included in a settlement approved by Contractor, provided that County: 1) promptly notifies Contractor in writing within 30 days of receipt of the claim; and 2) allows any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 20 to be controlled by Contractor and performed by counsel selected by Contractor, and County shall provide Contractor with information, reasonable assistance, and authority to defend or settle the claim. Notwithstanding the foregoing, County shall have the right to participate in any such defense at its sole cost and expense.
- 20.3 County shall notify Contractor, in writing, as soon as practicable of any claim or action alleging such infringement. Upon such notice by County, Contractor shall, in its reasonable judgment, and at its sole option and at no cost to County, as remedial measures, either (i) procure the right, by license or otherwise, for County to continue to use the Deliverable(s) to the same extent of County's rights under this Agreement, or (ii) to the extent procuring such right to use the Deliverable(s) is not commercially practicable, replace or modify the Deliverable(s) in such a way that the Deliverable(s) shall have the quality and level, at a minimum, substantially equivalent to the functionality of the original Deliverable(s). If Contractor determines that none of these alternatives is reasonably available, the County agrees to return the Deliverable(s) to Contractor on its written request. Contractor will then give the County a credit equal to the amount the County paid Contractor for the creation of the Deliverable(s). This is Contractor's entire obligation to the County regarding any claim of infringement.
- 20.4 Contractor shall have no obligation to indemnify or defend County for any liability arising out of or relating to any allegations or claims of infringement, to the extent the alleged infringement is based on: (a) County's modification of the Deliverable(s); (b) the combination, operation, or use of the Deliverable(s) with any other product, data, apparatus, or business method that Contractor did not provide, or the distribution,

operation or use of the Deliverable(s) for the benefit of a third party (excluding County Affiliates); or (c) anything the County provides which is incorporated into the Deliverable(s) or Contractor's compliance with any designs, specifications, or instructions provided by the County or by a third part on the County's behalf. This section provides the parties' exclusive remedy for any infringement claims or damages.

21. PROHIBITION AGAINST ASSIGNMENT AND DELEGATION

- 21.1 Contractor shall not assign its rights or delegate its duties under the Agreement, or both, whether in whole or in part, to a third party without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under the Agreement shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.
- 21.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment of this Contract requiring the prior written consent of County in accordance with applicable provisions of this Agreement.
- 21.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 21.4 County shall not assign its rights or delegate its duties under the Agreement, or both, whether in whole or in part, without the prior written consent of Contractor, which consent will not be unreasonably withheld or delayed. For purposes of this paragraph, Contractor consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties.

22. SUBCONTRACTING

- 22.1 No performance of this Agreement, or any portion thereof, shall be subcontracted by Contractor without the prior written approval of County as provided in this Paragraph 22. Any attempt by Contractor to subcontract any performance under this Agreement without the prior written consent of County shall be null and void. County may, in its

discretion, waive in writing any or all of the requirements of this Section 22.

- 22.2 If Contractor desires to subcontract any material portion of this Agreement, Contractor shall provide to County, in writing, a request for written approval to enter into the particular subcontract, which request shall include:
- (1) Identification of the proposed subcontractor and the reasons for the subcontractor;
 - (2) A description of the work to be performed by the proposed subcontractor;
 - (3) An outline of the proposed subcontract, less pricing, which shall contain, at a minimum, all standard County required provisions;
 - (4) Unless otherwise determined unnecessary by County, copies of Certificates of Insurance and Performance Security from the proposed subcontractor which establish that the subcontractor maintains all the programs of insurance required by Paragraph 17 (Insurance);
 - (5) Other pertinent information and/or certifications requested by County.
- 22.3 County will review Contractor's request to subcontract and determine, in its reasonable discretion, whether or not to consent to such request on a case-by-case basis.
- 22.4 Contractor shall indemnify, defend and hold harmless County with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees
- 22.5 Notwithstanding County consent to any subcontracting, Contractor shall remain fully responsible for any and all performance required of it under this Agreement, including those which Contractor has determined to subcontract, including, but not limited to, the obligation to properly supervise, coordinate and perform all work required under this Agreement.
- 22.6 County's consent to any subcontracting shall not waive County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Agreement. Contractor shall notify its subcontractors of this County right prior to subcontractors commencing performance under this Agreement.
- 22.7 Notwithstanding County's consent to any subcontracting, Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors, and their officers, employees, agents, and successors in interest, for any services performed by subcontractors under this Agreement.
- 22.8 In the event that County consents to any subcontracting, for each subcontract entered into by Contractor, provided County so requests in writing, Contractor shall deliver to

Chief Information Office, 500 West Temple Street, Room 493, Los Angeles, CA 90012 a fully executed copy of each requested subcontract entered into by Contractor, less pricing.

23. DISCLOSURE OF INFORMATION

Each party shall not disclose any details in connection with the existence of this Agreement, including, but not limited to, any of its terms or conditions or any circumstances which occur during the performance of this Agreement to any party except as may be otherwise provided herein or required by law.

In the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall promptly notify County's Project Director. Thereafter, Contractor shall comply with such order, process or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and fully cooperate with County to obtain relief from such obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under this Agreement within the following conditions:

- (a) Contractor shall develop all publicity material in a professional manner.
- (b) During the term of this Agreement, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of County's Project Director. County shall not unreasonably withhold or delay such written consent.
- (c) Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Agreement with County, provided that the requirements of this Paragraph 23 shall apply.

24. CONFIDENTIALITY

- 24.1 Each party shall maintain the confidentiality of all its records, data and information, including, but not limited to, billing and County records, in accordance with all applicable Federal, State and County laws, regulations, ordinances and directives relating to confidentiality for at least five (5) years from the date of disclosure, subject to the Public Records Act. The parties agree, unless required by law, not to make each other's confidential information available in any form to any third party for any purpose other than the implementation of this Agreement.

Nothing shall prevent either party from disclosing the terms or pricing under this Agreement or orders submitted under this Agreement in any legal proceeding arising from or in connection with this Agreement.

A party's confidential information shall not include information that: (i) is or becomes a part of the public domain through no act or omission of the other party; (ii) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (iii) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (iv) is independently developed by the other party.

24.2 With respect to any identifiable information concerning any patient that is obtained by Contractor or any other records and information, Contractor shall: (1) not use any such records or information for any purpose whatsoever other than carrying out the express terms of this Agreement; (2) promptly transmit to County all requests for disclosure of any such records or information; (3) not disclose, except as otherwise specifically permitted by this Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (4) at the expiration or termination of this Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.

24.3 Contractor acknowledges that a breach by Contractor of this Paragraph 24 may result in irreparable injury to County that may not be adequately compensated by monetary damages, and that, in addition to County's other rights under this Paragraph 24 and at law and in equity, County shall have the right to seek injunctive relief to enforce the provisions of this Paragraph 24.

24.4 Either party may use in its business activities the solutions, ideas and knowledge acquired by its employees during the course of providing, supporting or receiving Services under this Agreement.

24.5 The receipt of Information under this Agreement will not in any way limit Contractor from:

24.5.1 providing to others products or services which may be competitive with products or services of the County;

24.5.2 providing products or services to others who compete with the County; or

24.5.3 assigning its employees in any way it may choose.

25. TERMINATION FOR DEFAULT

25.1 County Default

Contractor may, by written notice to County, terminate this Agreement or any or all Work Orders affected by such breach if County has failed to comply with the material provisions of this Agreement or has materially breached the terms of this Agreement and fails to correct the breach within thirty (30) days of receipt of written notice from Contractor, or within any such greater period as mutually agreed to by County and

Contractor.

25.2 Contractor Default

25.2.1 County may, by written notice to Contractor, terminate the whole or any part of this Agreement, or any Work Order hereunder, if Contractor has failed to comply with the material provisions of this Agreement or has materially breached this Agreement and failed to correct such material breach within thirty (30) days of receipt of written notice from County of such breach. If Contractor fails to cure the material breach within the thirty (30) day period, this Agreement will automatically terminate unless the County extends the time to cure, or waives the automatic termination, in writing. Such extension or waiver will not operate as a waiver of any of the County's other rights hereunder.

25.2.2 In the event that County terminates this Agreement, or any Work Order hereunder, in whole or in part as provided in this Paragraph 25, then:

- A. Contractor and County shall continue the performance of this Agreement to the extent not terminated under this Paragraph 25; and
- B. County shall compensate Contractor for all work performed under this Agreement up to the effective date of termination.

Nothing in this Subparagraph 25.2, Contractor Default, shall be construed to entitle the County to a refund of fees for any Services that have been delivered by Contractor.

25.2.3 If, after County has given notice of termination under the provisions of this Paragraph 25, it is determined by County that Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 26 (Termination for Convenience).

25.2.4 Except for any remedies for Contractor's breach of warranty and Contractor's indemnification obligations under Section 20, the rights and remedies of County provided in this Paragraph 25 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

26. TERMINATION FOR CONVENIENCE

26.1 This Agreement, or any Work Order hereunder, may be terminated, in whole or in part when such action is deemed by County to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective, which shall be no less than thirty (30) calendar days after the notice is sent. In the event County has purported to terminate this Agreement for default by notice pursuant to Paragraph 25 (Termination for Default) and it has later been determined that Contractor was not in default, no additional notice shall be

required upon such termination.

26.2 After receipt of a notice of termination of this Agreement, or any Work Order hereunder, and except as otherwise directed by County:

26.2.1 Contractor shall:

- (1) Stop work under this Agreement on the date and to the extent specified in such notice;
- (2) Deliver to County all completed Deliverable(s);
- (3) Complete performance of such part of the work as shall not have been terminated by such notice; and

26.2.2 County shall compensate Contractor for all Services performed under this Agreement up to the effective date of termination.

26.3 After receipt of a notice of termination, Contractor shall submit to County, in the form and with any certifications as may be prescribed by County, Contractor's termination claim and invoice. Such claim and invoice shall be submitted promptly, but no later than ninety (90) days from the effective date of termination.

27. RESERVED

28. TERMINATION FOR IMPROPER CONSIDERATION

28.1 County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that illegal consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

28.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County's Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

28.3 Among other items, such illegal consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

29. TERMINATION FOR GRATUITIES

County may, by written notice to Contractor, terminate the right of Contractor to proceed under this Agreement upon one (1) calendar day's notice, if it is found that illegal gratuities in the form of entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer, employee, or agent of County with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing, of such contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

30. COUNTY'S OBLIGATION FOR FUTURE FISCAL YEARS

County's obligation may be limited if it is payable only and solely from funds appropriated for the purpose of this Agreement. Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County will notify Contractor in writing of any such non-appropriation of funds at the earliest possible date.

31. RECORDS AND AUDITS

- 31.1 Contractor shall maintain accurate and complete financial records of its activities and operation relating to this Agreement in accordance with generally accepted accounting principles. Contractor agrees that County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any invoices and payments for Services provided under this Agreement to the extent required by law. All such material shall be kept and maintained by Contractor during the term of the respective Work Order plus a period of three (3) years thereafter, unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then Contractor shall make the necessary arrangements at its own cost and expense to have such material made available to the County within the County's borders.
- 31.2 In the event that an audit is conducted of Contractor specifically regarding this Agreement by any Federal or State auditor, then Contractor shall file a copy of such audit report with County's Auditor-Controller within thirty (30) days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Agreement. County shall make a reasonable effort to maintain the confidentiality of such audit report(s). In addition, Contractor shall make available to County, upon County's request, Contractor's current publicly available audited financial statements.
- 31.3 Nothing contained herein shall allow the County or any of its authorized

representatives access to Contractor's cost or pricing methodologies, overheads, profit margins, employee records or internal audit results.

32. INDEPENDENT CONTRACTOR STATUS

32.1 This Agreement is by and between County and Contractor and is not intended and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association as between County and Contractor. The employees and agents of one party are not and shall not be, or construed to be, the employees or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent contractor.

32.2 Contractor shall be solely liable and responsible for providing all workers' compensation insurance and benefits, liability insurance, employer taxes, compensation, and benefits to, or on behalf of, all Contractor employees performing work pursuant to this Agreement. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, payroll taxes, disability insurance or benefits, or Federal, State or local taxes, or other compensation, benefits or taxes for any Contractor personnel or Contractor subcontractors provided by or performing work on behalf of Contractor.

32.2 Compliance with County Procedures. Contractor agrees to comply with County's security and safety rules, policies and procedures ("procedures") while performing services on County's site, provided that such procedures do not violate any state, local, or federal laws (including privacy laws); that such procedures are expressly applicable to Contractor's provision of services at the site at which Contractor is performing services under this Agreement; that County makes available such procedures to each Contractor personnel performing services at County's site prior to commencement of such services; that such procedures do not modify or amend the terms and conditions of the Agreement, and that County provides Contractor with any training regarding the procedures as reasonably requested by Contractor. County's exclusive remedy and Contractor's entire liability for Contractor's failure to comply with procedures is the termination of the applicable Work Order.

If the County fails to communicate such rules and regulations in writing to Contractor, Contractor shall not be considered to have breached this section if its employees comply with Contractor's own internal rules concerning reasonable and proper behavior and security requirements while on the premises of a customer.

33. WARRANTY AGAINST CONTINGENT FEES

Contractor warrants that no third party person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

34. RESERVED

35. CONFLICT OF INTEREST

35.1 No County employee whose position with County enables such employee to influence the award of this Agreement or any competing agreements, and no spouse or economic dependent of such employee, shall be employed to perform Services under this Agreement. No officer or employee of Contractor, who may financially benefit from the performance of work hereunder, shall in any way participate in County's approval or ongoing evaluation of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.

35.2 Contractor shall comply with all conflict of interest laws, ordinances and regulations now in effect or hereafter to be enacted during the term of this Agreement which are applicable to it as a Services provider under this Agreement. Contractor warrants that it is not now aware of any facts which do or could create a conflict of interest. If a party hereafter becomes aware of any facts, which might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances.

36. COUNTY'S QUALITY ASSURANCE PLAN

County, or its agent, will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and conditions of this Agreement. Contractor deficiencies, which County determines are severe or continuing and that may place performance of this Agreement in jeopardy, if not corrected, will be reported to the County's Board of Supervisors. The report will include improvements and/or corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement, in whole or in part, pursuant to Paragraph 25 (Termination for Default) or Paragraph 26 (Termination for Convenience), or impose other penalties as specified in this Agreement.

37. FORCE MAJEURE

37.1 Other than the County's failure to pay any amounts due hereunder, and except with respect to defaults of any subcontractor(s), neither party shall be liable for reasonable delays in the completion of work under this Agreement, if its failure to perform arises out of, and only, fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, freight embargoes, electrical, internet, or telecommunication outage that is not caused by the obligated party; or government restrictions (including the denial or cancellation of any export or other license), but in every such case the failure to perform must be beyond the reasonable control of the non-performing party.

- 37.2 If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without any fault or negligence of either of them, Contractor shall not be liable for reasonable delays in the completion of the work, unless the work to be furnished by the subcontractor was obtainable from other sources in sufficient time to permit Contractor to meet the required schedule. Contractor agrees to use all reasonable commercial efforts to obtain such goods or services from other sources. As used in this Paragraph 37, the term "subcontractor(s)" mean subcontractor(s) at any tier.
- 37.3 Notwithstanding anything herein to the contrary, neither party shall be liable for any additional costs incurred by the other party, or any subcontractor of Contractor arising out of or resulting from *force majeure* events.

38. COMPLIANCE WITH APPLICABLE LAWS

Contractor's activities hereunder shall comply with all applicable Federal, State, and local laws, rules, regulations, ordinances, which directly apply to its performance of Services under this Agreement and all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference. Contractor shall have up to sixty (60) days to correct any noncompliance with such rules, regulations, and/or ordinances following written notice from County including written copies of such applicable rules, regulations, and/or ordinances.

39. FAIR LABOR STANDARDS

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act, and shall indemnify, defend, and hold harmless County, its officers, employees and agents from any and all third party liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs and attorneys' fees arising under, any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

40. NONDISCRIMINATION, AFFIRMATIVE ACTION AND COMPLIANCE WITH CIVIL RIGHTS LAWS

- 40.1 Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries and holding companies will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental handicap, marital status or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.
- 40.2 Contractor shall, pursuant to Los Angeles County Code Section 4.32, certify to and comply with the provisions of the Contractor's EEO Certification (Exhibit E).
- 40.3 Contractor shall ensure that applicants and employees are treated equally during employment, without regard to race, color, religion, ancestry, national origin, sex, age,

physical or mental handicap, marital status or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

40.4 Contractor certifies and agrees that it will deal with its subcontractors, bidders or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental handicap, marital status or political affiliation, except to the extent necessary to comply with applicable Federal and State anti-discrimination laws and regulations.

40.5 Contractor certifies that it, its affiliates, subsidiaries and holding companies are in compliance with all Federal, State, and local laws specifically applicable to the performance of the Services under the respective Work Order, including, but not limited to:

1. Title VII, Civil Rights Act of 1964;
2. Section 504, Rehabilitation Act of 1973;
3. Age Discrimination Act of 1975;
4. Title IX, Education Amendments of 1973, as applicable; and
5. Title 43, Part 17, Code of Federal Regulations, Subparts A & B,

and that no person shall, on the grounds of race, creed, color, national origin, political affiliation, marital status, sex, age, or handicap, be subject to discrimination as to any privileges or uses gained under this Agreement or under any project, program or activity supported by this Agreement.

40.6 If County finds that any of the provisions of this Paragraph 40 have been violated, such violation shall, at the election of County, constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement. While County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Agreement.

40.7 The parties agree that in the event Contractor is found to have violated the anti-discrimination provisions of this Agreement, and that such discrimination was directly associated with the performance of services provided under this Agreement, County may require, pursuant to Los Angeles County Code Section 4.32.010 (E), that Contractor pay the sum of Five hundred Dollars (\$500) for each such violation, in lieu of termination or suspension hereof, as liquidated damages are extremely difficult to ascertain or calculate precisely. In the alternative, County may elect to terminate this Agreement pursuant to Paragraph 25 (Termination for Default).

40.8 The parties agree that for purposes of the calculation of the sum of liquidated

damages in Sub-paragraph 40.7, an act of Contractor affecting multiple employees shall be counted as a single violation.

41. RESTRICTIONS ON LOBBYING

41.1 Federal Funds Projects

If any Federal funds are to be used to pay portion for any of Contractor's work under this Agreement, the County shall notify Contractor in writing in advance of issuing the respective Work Order for such Services and give Contractor the opportunity to review all certification and disclosure requirements prescribed by Section 319 of Public law 101-121 (31 United States Code Section 1352) and any implementing regulations so that Contractor can determine whether to accept such Federally funded Work Order. If such Work Order is accepted, Contractor shall ensure that each of its subcontractors receiving funds provided under this Agreement also fully complies with all such certification and disclosure requirements.

41.2 County Projects

Contractor, and each County lobbyist or County lobbying firm, as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which County may immediately terminate or suspend this Agreement.

42. EMPLOYMENT ELIGIBILITY VERIFICATION

42.1 Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding employment of aliens and others and that all its employees performing services under this Agreement meet the citizenship or alien status requirements contained in federal and state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603).

42.2 Contractor shall obtain from all employees performing under this Agreement all verification and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Contractor shall retain such documentation for the period prescribed by law.

43. CONTRACT HIRING

43.1 Consideration of Hiring County Employees Targeted for Layoffs

Should Contractor require additional or replacement personnel after the effective date of this Agreement to perform the work set forth herein, Contractor shall give first consideration for such employment openings to permanent County employees who

are targeted for layoff or qualified former County employees who are on a re-employment list during the term of this Agreement.

43.2 Consideration of GAIN/GROW Program Participants for Employment

Should Contractor require additional or replacement personnel after the Effective Date to perform Services under this Agreement, Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN participants by job category to Contractor.

In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

43.3 Prohibition against Inducement and Persuasion

Contractor and County agree that, during the term of a project under this Agreement and for a period of one (1) year after completion of such project, neither party shall in any way intentionally induce or persuade any specific employee of one party known to be materially involved in the project to become an employee or agent of the other party. Notwithstanding the foregoing, such prohibition shall not apply to any hiring action initiated through a public announcement.

44. CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

44.1 Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through employment or contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

44.2 As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this Agreement to comply with all applicable State and Federal provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or County's Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5245(b).

45. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 44 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute a default by Contractor under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure to cure such default within ninety (90) days of notice by County's Child Support Services Department shall be grounds upon which County's Board of Supervisors may terminate this Agreement pursuant to Paragraph 25 (Termination for Default) and pursue debarment of Contractor pursuant to Paragraph 48 (Contractor Responsibility and Debarment).

46. COMPLIANCE WITH JURY SERVICE PROGRAM

46.1 Jury Service Program

This Agreement is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service Program (hereinafter "Jury Service Program" or "Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code (hereinafter "County Code").

46.2 Written Employee Jury Service Policy

46.2.1 Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees (as defined in Paragraph 46.2.2 below) shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deducts from the Employee's regular pay the fees received for jury service.

46.2.2 For purposes of this Paragraph 46, "Contractor" means a person, partnership, corporation or other entity which has an agreement with County or a subcontract with Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County agreements or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under this Agreement, the subcontractor shall also be subject to the provisions of this Paragraph 46. The provisions of this Paragraph 46 shall be inserted into any such subcontract and a copy of the Jury Service Program

shall be attached to the agreement.

46.2.3 If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Agreement and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

46.3 Contractor's violation of this Paragraph 46 of this Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate this Agreement with Contractor and/or bar Contractor from the award of future County agreements for a period of time consistent with the seriousness of the breach.

47. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

As required by applicable law, Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

48. CONTRACTOR RESPONSIBILITY AND DEBARMENT

48.1 A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible contractors.

48.2 Contractor is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, if County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County, including this Agreement.

48.3 County may debar Contractor if County's Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated any term of a contract with County, or a nonprofit corporation created by County, (2) committed any act or

omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

- 48.4 If there is evidence that Contractor may be subject to debarment, County's Project Director, or his/her designee, will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before County's Contractor Hearing Board.
- 48.5 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor, County's Project Director, or his/her designee, and County's Departments shall be provided with an opportunity to object to the tentative proposed decision prior to its presentation to County's Board of Supervisors.
- 48.6 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to County's Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 48.7 If Contractor has been debarred for a period longer than five (5) years, Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
- 48.8 The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of the debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board

pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- 48.9 The terms and procedures of this Paragraph 48 shall also apply to subcontractors, personnel and partners of Contractor performing work under this Agreement.

49. COUNTY AUDIT SETTLEMENTS

If, at any time during or a reasonable period of time after the term of this Agreement, representatives of County conduct an audit of Contractor regarding the work performed under this Agreement, and if such audit reasonably and accurately finds that County's dollar liability for such work is less than payments made by County to Contractor, then the difference, shall be requested to be either repaid by Contractor to County by cash payment upon demand or deducted from any amounts due to Contractor from County, as determined by County. If Contractor denies such request, the matter will be a dispute under the Dispute Resolution Procedure (Section 68) of this Agreement. If such audit finds that County's dollar liability for such work is more than payments made by County to Contractor, then the difference shall be repaid to Contractor by cash payment.

50. FEDERAL ACCESS TO RECORDS

If, and to the extent that Section 1861(v)(1)(i) of the Social Security Act (42 United States Code Section 1395x(v)(1)(i) is applicable, Contractor agrees that for a period of three (3) years following the furnishing of Services under the respective Work Order, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Comptroller General of the United States or to any of their authorized representatives, the contracts, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs Contractor charged for the Services provided thereunder. Furthermore, if Contractor carries out any of the Services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents, and records of the subcontractor.

51. LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS AND CERTIFICATES

Contractor shall obtain and maintain in effect during the term of this Agreement all licenses, permits, registrations, accreditations and certificates required by all Federal, State, and local laws, ordinances, rules, regulations, which are required for Contractor

to perform Contractor's Services under this Agreement. Contractor shall further ensure that all of its officers, employees, agents and Subcontractors who perform Services hereunder, shall obtain and maintain in effect during the term of this Agreement all licenses, permits, registrations, accreditations and certificates which are required for their performance hereunder. Upon County's request, a copy of each such license, permit, registration, accreditation and certificate required by all applicable Federal, State, and local laws, ordinances, rules, regulations, guidelines and directives shall be provided, in duplicate, to:

*County of Los Angeles
Chief Information Office
Jon W. Fullinwider

Los Angeles, CA 90012*

52. NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of this Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement, except that this provision shall not be construed to diminish Contractor's indemnification obligations hereunder.

53. GOVERNING LAW, JURISDICTION AND VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California applicable to agreements made and to be performed within the State. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles, California. As with respect to claims that are subject to exclusive Federal subject matter jurisdiction, Contractor agrees and consents to the exclusive jurisdiction of the Federal District Court of the Central District of California.

54. WAIVER

No breach of any provision hereof can be waived unless in writing. No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

55. CONTRACTOR PERFORMANCE DURING CIVIL UNREST AND DISASTER

Contractor recognizes that County provides services essential to the residents of the communities it serves, and that these services are of particular importance at the time

of a riot, insurrection, civil unrest, natural disaster or similar event. Notwithstanding any other provision of this Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically possible without related danger to Contractor's or subcontractors' employees and suppliers. During any such event in which the health or safety of any of Contractor's staff members would be endangered by performing their services on-site, such staff members may perform any or all of their services remotely.

56. DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS

56.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made promptly after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

56.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand or, without limitation of all County's other rights and remedies provided by law or under this Agreement, County may deduct such costs from any amounts due Contractor from County under this Agreement.

57. AUTHORIZATION WARRANTY

Contractor represents and warrants that the person executing this Agreement or any Amendment thereto pursuant to Paragraph 10 (Change Notices and Amendments) for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition and obligation of this Agreement, and that all requirements of Contractor have been fulfilled to provide such actual authority.

58. FORMS AND PROCEDURES

All existing forms and procedures used by Contractor in implementation of the provisions of this Agreement are deemed "approved" by County for purposes of this Paragraph 58. Any new forms and procedures which materially affect Contractor's performance of this Agreement shall be subject to review and approval by County prior to use by Contractor.

59. MINIMUM AGE, LANGUAGE SKILLS AND LEGAL STATUS OF CONTRACTOR PERSONNEL AT FACILITY

Contractor cannot assign employees under the age of eighteen (18) to perform work under this Agreement. All of Contractor's employees working at County facilities must be able to communicate in English. Contractor's employees must be United State citizens or legally present and permitted to work in the United States.

60. VALIDITY AND SEVERABILITY

60.1 Validity

The invalidity, unenforceability or illegality of any provision of this Agreement shall not render the other provisions hereof invalid, unenforceable or illegal, unless the essential purposes of this Agreement shall be materially impaired thereby.

60.2 Severability

In the event that any provision herein contained is held to be invalid, void or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement, if practicable, and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

62. ARM'S LENGTH NEGOTIATIONS

This Agreement is the product of arm's length negotiations between Contractor and County. Consequently, each party has had the opportunity to receive advice from independent counsel of its own choosing. This Agreement is to be interpreted fairly as between the parties and not strictly construed as against either party.

63. NONEXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Agreement shall not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

64. ACCESS TO COUNTY FACILITIES

Contractor, its employees and agents, will be granted access to County facilities, subject to Contractor's prior notification to County's Project Manager or the Department Project Manager, for the purpose of executing Contractor's obligations hereunder. Access to County facilities shall be restricted to normal business hours, 8:00 a.m. until 5:00 p.m., Pacific Time, Monday through Friday, County observed holidays excepted. Access to County facilities outside of normal business hours must be approved in writing in advance by County's Project Manager or the Department Project Manager, which approval will not be unreasonably withheld. Contractor shall have no tenancy, or any other property or other rights, in County facilities. While present at County facilities, Contractor's personnel shall be accompanied by County personnel at all times, unless this requirement is waived in writing prior to such event by County's Project Manager or the Department Project Manager.

65. COUNTY FACILITY OFFICE SPACE

In order for Contractor to perform Services hereunder and only for the performance of such services, County may elect, subject to County's standard administrative and security requirements, to provide Contractor with office space and equipment, as determined at the discretion of the County's Project Manager or the Department Project Manager at County facilities, on a non-exclusive use basis. County shall also provide Contractor with reasonable telephone service in such office space for use only for purposes of this Agreement. County disclaims any and all responsibility for the loss, theft or damage of any property or material left at such County office space by Contractor.

66. PHYSICAL ALTERATIONS

67. CONTRACTOR'S OFFICES

68. DISPUTE RESOLUTION PROCEDURE

68.1 Contractor and County agree to act promptly to mutually resolve any disputes which may arise with respect to this Agreement. All such disputes shall be subject to the provisions of this Paragraph 68 (hereinafter "Dispute Resolution Procedure"). Time is of the essence in the resolution of disputes.

68.2 Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance which either party, in its reasonable discretion, determines should be delayed as a result of such dispute and as necessary to resolve such dispute.

If Contractor fails to continue without delay its performance hereunder which County, in its reasonable discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs.

If County fails to continue without delay to perform its responsibilities under this Agreement which Contractor, in its reasonable discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs.

68.3 In the event of any dispute between the parties with respect to this Agreement, Contractor and County shall submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.

68.4 In the event that the Project Managers are unable to resolve the dispute within a reasonable time not to exceed ten (10) days from the date of submission of the dispute, then the matter shall be immediately submitted to the parties' respective Project Directors for further consideration and discussion to attempt to resolve the dispute.

68.5 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under this Agreement and/or its rights and remedies as provided by law.

68.6 In the event a Dispute Resolution Procedure under this Paragraph 68 is invoked due to either party's failure to perform or fulfill its obligations under a Work Order hereunder (hereinafter in this Paragraph 68 "Work Order Non-Performance"), and Contractor continues without delay its performance under such Work Order in accordance with Paragraph 68.2 above, then, should the Dispute Resolution be resolved in favor of Contractor, County and Contractor shall agree upon the cost of the party's such continued performance resulting from the Work Order Non-Performance. If it is found that Contractor did suffer cost for continuing to perform that resulted from the Work Order Non-Performance, then the parties will execute a Change Order in

accordance with Paragraph 7.2 (Change Order Process) for adjusting the Work Order amount by the agreed upon cost to such party.

68.7 All disputes utilizing this Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in this Paragraph 68, the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

68.8 Notwithstanding any other provision of this Agreement, a party's right, as applicable, to terminate this Agreement pursuant to Paragraph 27 (Termination for Insolvency), Paragraph 25 (Termination for Default), Paragraph 28 (Termination for Improper Consideration), Paragraph 26 (Termination for Convenience), or any other termination provision hereunder, and a party's right to seek injunctive relief to enforce the provisions of Paragraph 19 (Proprietary Considerations) and Paragraph 25 (Confidentiality), shall not be subject to this Dispute Resolution Procedure.

Pricing

This Agreement contemplates both Fixed Price Deliverables-based (FP) work orders and Time and Materials (T&M) work orders.

Fixed Price Deliverables-based engagements will be priced based on the estimated cost of producing the deliverables and the relative risk associated with the individual work order. As such, no rates or discount level is provided for FP projects in the Agreement.

Services acquired on a Time and Materials (T&M) basis will be provided to the County at a 44% discount to our then current standard fees based on a minimum annual (calculated from the effective date of the agreement) expenditure of \$1,000,000 in services under this agreement. If, at the end of the year, such commitment has not been met, Oracle will invoice LA County for the services rendered for the difference between those services at our applicable GSA rates and the amount already invoiced at this higher discount. The option to extend the contract contained in paragraph 11.1 notwithstanding, the above discount shall expire at the end of the initial three (3) year contract term. Contractor and County shall negotiate in good faith the labor rates for any extension of the Agreement beyond the initial term.

Travel and living expenses of Oracle consultants for services provided under this Agreement shall be deemed Out-of-Pocket Expenses and shall be invoiced separately, in addition to labor costs.

Oracle's not-to-exceed T&M rates, based on current standard fees, are defined in the table below:

Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

2.6 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health Information. Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity.

2.7 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such amendment within ten (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

2.8 Accounting of Disclosures. Business Associate agrees to maintain documentation of the information required to provide an accounting of Disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528 and to make this information available to Covered Entity upon Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for accounting of Disclosures. However, Business Associate is not required to provide accounting of Disclosures that are necessary to perform its Services if such Disclosures are for either payment or health care operations purposes, or both. Additionally, such accounting is limited to Disclosures that were made in the six (6) years prior to the request (not including Disclosures that were made prior to

the compliance date of the Privacy Rule, April 14, 2003) and shall be provided for as long as Business Associate maintains the Protected Health Information.

Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.8, Business Associate shall document the information specified in (a) through (d) above and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

OBLIGATION OF COVERED ENTITY

3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.1 Term. The term of this Agreement shall be the same as the term of the Services Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

(a) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement and the Services Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;

(b) Immediately terminate this Agreement and the Services Agreement if Business Associate has breached a material term of this Agreement and cure is not possible; or

(c) If neither termination nor cure are feasible, Covered Entity shall report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this Section 4.3, upon termination for any reason

or expiration of this Agreement and the Services Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make it infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible for so long as Business Associate maintains such Protected Health Information.

5.6 Amendment. The parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations.

SAFELY SURRENDERED BABY LAW FACT SHEET

Certainly we would prefer that women seek help while they are pregnant, not after giving birth, to receive proper medical care and counseling. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in a hospital emergency room.

**The California Safely
Surrendered Baby Law:**

Allows a distressed birth parent(s) to legally, confidentially, and safely surrender their baby

Provides a safe place for babies

Protects the parent(s) from arrest or prosecution for abandonment as long as the baby has not been abused or neglected

Does not require that names be given when the baby is surrendered

Permits parents to bring a baby within 3 days of birth to any hospital emergency room in California

**In California, no one ever
has to abandon a child again.**

to safely surrender
your baby**

What is the Safely Surrendered Baby Law?

It's a new law. Under this law, a person may surrender their baby confidentially. As long as the baby has not been abused or neglected, the person may do so without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for an infant can legally, confidentially and safely surrender their baby within 3 days of birth. All that is required is that the baby be brought to a hospital emergency room in California. If there are additional places, they will be listed on the back of this brochure. As long as the child shows no signs of abuse or neglect, no name or other information is required. A bracelet will be placed on the baby for identification. A matching bracelet will be given to the parent. The bracelet will help connect the parent to the baby if the parent wants the baby back.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows another person to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week.

Does a parent have to tell anything to the people taking the baby?

No. Nothing is required. However, hospital personnel will give the parent a medical information questionnaire that is designed to gather family medical history. This could be very useful in caring for the child but it is up to the parent to complete it.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a foster or pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

What if a parent wants the baby back?

The parent(s) may take the bracelet back to the hospital. Hospital personnel will provide information about the baby.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being hurt or killed because they were abandoned.

You may have heard tragic stories of babies left in dumpsters or public toilets. The persons who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants.

Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

The Eighteenth Safely Surrendered Baby in California

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law.

This baby was the eighteenth child protected under California's Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed in a foster home for short-term care while the adoption process was started.
